DESTINATIONS

Ft. Lauderdale (Florida)

On your Eastern Caribbean cruise, the fun starts here. Stroll Las Olas Boulevard for some of the city's best restaurants and their seven miles of beaches.

Princess Cays (Bahamas)

Princess Cays, our private retreat, offers an exclusive beach resort for you to relax and have fun — complete with deluxe amenities, barbecues, and all the water sports you can imagine.

St Maarten (Netherlands Antilles)

Take an Eastern Caribbean cruise with Princess and feast, perhaps, on the world's best culinary fusion here on this tiny half-Dutch, half-French island.

St Thomas (US Virgin Islands)

Pastel-colored houses and breathtaking panoramas are but a few of St. Thomas' attractions on our Eastern Caribbean cruise.

Grand Turk (Turks & Caicos Islands)

This small island is bursting with turn-of-the-century Caribbean charm. Grand Turk is blessed with miles of quiet sugary beaches and is close to several uninhabited cays just waiting to be explored.

A Princess Vacation Protection Plan

Princess Cruises strongly recommend the purchase of a vacation protection program. For your convenience, Princess offers Princess Vacation Protection (formerly Princess Travel Care) as well as enhanced coverage - Princess Vacation Protection Platinum. These plans provide what is perhaps the most attractive combination of protection and flexibility available in cruising today.

Princess Vacation Protection includes Trip Cancellation and Interruption Protection, which provides up to full reimbursement for the otherwise non-refundable cancellation fees if you must cancel or curtail your trip due to eligible medical conditions or other specified causes affecting you, your immediate family members or your traveling companions.

Princess' vacation protection programs offer unique flexibility that many other programs lack. If you have to cancel your cruise for an ineligible reason - any reason at all - you'll receive from Princess Cruises a future cruise credit equal to 75% of the normally otherwise non-refundable cancellation fees.

Starting with voyages departing in summer 2009, Princess is pleased to introduce Princess Platinum Vacation Protection for an additional 4% of cruise fare (12% of cruise fare). Our Platinum Plan provides a future cruise credit value of 100% of the normally non-refundable charges if you must cancel for a reason that is not eligible for 100% cash reimbursement.

And, upgrading to our new Platinum Vacation Protection plan will also double coverage for medical expenses, lost baggage and emergency medical evacuation.

For those passengers who have purchased Princess Vacation Protection, please refer to the Plan Description that is enclosed in your pre-cruise package for more information or contact the Princess Vacation Protection desk at BerkelyCare the independent administrator of Princess Vacation Protection at 877-846-8833. The insurance portion of Princess Vacation Protection is underwritten by Virginia Surety Company, Inc. (Policy Number HTP04192)
